TWIN LAKES SECONDARY SCHOOL

What is PEAC?

PEAC (*Partners in Education, Adventure & Community*) is a focus program at Twin Lakes Secondary School that provides motivated, collaborative and community-minded students entering grade nine with a dynamic set of learning opportunities based on 21st century skills and experiential activities. Throughout the two-year PEAC program (grade 9 & 10), students will experience in-class components and out-of-class adventures. Students will be timetabled together for one PEAC course per semester in their grade 9 and 10 year to integrate experiential opportunities with an enhanced curriculum.

PEAC candidates are inquisitive, engaged students who are seeking a high school experience that is beyond traditional. Students are encouraged to meet academic challenges with enthusiasm, and to have a willingness to solve problems. Through the innovative use of explorative learning, guest speakers, community partnerships and trips, the PEAC program is designed to expand personal and academic growth.

Each student will have the opportunity to connect with teacher mentors who monitor a smaller group of PEAC students. This will ensure close collaboration with a staff member and peers, discussion about in-and-out of classroom enrichment opportunities, open communication with parents and promotion of strong team building skills.

PEAC students will embark on a high school venture that will bolster the skills, opportunities and fellowships to memorably prepare them for life after high school!

How will I benefit?

As a student in the PEAC program, you will gain 21st century skills and have the opportunity to participate in many experiential activities.

Upon successful completion of the two-year PEAC program, you will receive:

- two PEAC credits each year
- mentorship and collaborative learning
- educational adventures and trips
- community involvement and leadership
- increased preparation for future opportunities at TLSS and in the broader community
- PEAC certificate to include in a portfolio for job and post-secondary applications

There are costs associated with the enrichment activities provided by the PEAC program. PEAC applicants should be prepared to pay up to \$1000 per year to fund supplemental trips and opportunities. The PEAC classes may choose to undertake fundraising activities to off set some costs. Under special circumstances, financial assistance may be available.

ADVENTURES IN EDUCATION

What are my responsibilities as part of the PEAC program?

- It is expected that PEAC students will attend and actively participate in all scheduled opportunities presented throughout the two-year program.
- Some components of the PEAC program reach beyond the curriculum and as such, students need to be prepared to dedicate extra time to PEAC projects outside of their regular class hours. Students are expected to stay organized and caught up on all course work even when PEAC commitments coincide with their regularly scheduled classes.
- PEAC students will plan, participate in and reflect on two community initiatives each year. In all activities and projects, PEAC students are expected to exemplify the PEAC character traits at school and in the community.

How do I apply?

Step 1: Email Mr. Chris Lowery at clowery@scdsb.on.ca using your **SCDSB email account** to indicate your intention to apply. When your email is received, you will be sent a Google Classroom code in order to access the PEAC Application Classroom to view instructions and to submit the application package.

Step 2: Assemble the necessary components of the application package:

- a) The completed application form
- b) A reference letter from a non-family member
- c) Your most recent report card (marks and work skills)
- d) Your completed PEAC Creative Submission (see details below)

Step 3: Upload and submit all of these materials to the Google Classroom (instructions will be on the Google Classroom which you can access once you are emailed the code).

What is the PEAC Creative Submission?

Your PEAC Creative Submission is a creative way for you to uniquely introduce yourself to the PEAC selection committee. Your submission must be sent in to the Google Classroom with the rest of your application package so your format must be created or documented digitally. Electronic submissions should not exceed five minutes in length.

Your submission must demonstrate that you possess a variety of PEAC characteristics such as those listed below:

- | | | |
|--------------|------------------|----------------|
| ● Integrity | ● Responsibility | ● Co-operation |
| ● Respect | ● Optimism | ● Empathy |
| ● Leadership | ● Inclusiveness | ● Citizenship |

**All application materials MUST be submitted to the Google Classroom by
Wednesday March 24, 2021 at 3:00 pm.
